

## **NIFC COMMUNITY AWARENESS UPDATE**

### **NIFC COMMUNITY AWARENESS UPDATE 3/22 (6 Apr 22)**

*(The Community Awareness Update provides general information to enable personnel to keep up-to-date with routine correspondence; it is not provided for mission-related items and does not replace the Emergency Messaging System.)*

April can be a damp and miserable month but you can find a little ray of sunshine (*can't visit you all personally, so it's the art tutorial on offer*). From a high 'ops tempo' through to family illnesses, it can be a direct and indirect traumatic time for all; help the 'recovery' process by getting everyone to join the fun and enjoy a relaxing art session sponsored by your MWR.
