

NIFC Outlook Web Access via a EnTrust Soft Token

Login Procedures

1. Point your web browser to <https://webmail.ifc.bices.org/OWA> or go to our website at <https://web.ifc.bices.org/index.htm>.
2. Enter your NIFC Userid, (leave the groups blanks) and press the “login” button.

Microsoft® Office
Outlook® Web Access

Protected by
EnTrust IdentityGuard

Security ([show explanation](#))

This is a public or shared computer

This is a private computer
Warning: By selecting this option you acknowledge that the computer complies with your organization's security policy.

Use Outlook Web Access Light
The Light client provides fewer features and is sometimes faster. Use the Light client if you are on a slow connection or using a computer with unusually strict browser security settings. If you are using a browser other than Internet Explorer 6.0 or later, you can only use the Light client.

Password:

The image shows a screenshot of a web form for password submission. The form is enclosed in a dark blue border. In the top right corner, it says "Protected by Entrust IdentityGuard". On the left side, there is a vertical blue bar. The main content area is white and contains the label "Password:" followed by a text input field. Below the input field is a "Submit" button.

5. Please direct any questions to the NIFC IT Help Desk on DSN 268-7991 or our commercial.
